**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a 79 year old veteran and have become dependent on internet access for communications and other needs. My carrier, Sonic also provides land line service as part of its service. I subsist on SS and have been subject to the whims of other providers (like Comcast) who frequently hike their charges to the point of unaffordability. Sonic has kept me at the same rate for more than seven years.

The price of affordability with other carriers would result in my becoming a homeless vet.

Thanks for your consideration.
